17. The work should be completed within two months from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all work bills.

M. H. MANCHIGIAH,
Executive Engineer.

5062

WATER SUPPLY DIVISION, BANGALORE.

Notification dated 5th November 1951.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water Supply Division, Bangalore, up to 4 P.M. on the 26th November 1951 for the work of Replacing 16" Steel Main by 16" C.I. Pipes in the second mile of the Raising Main from Bethamangala.

The detailed estimate, etc., may be seen at the Office of the undersigned on all working days during office hours.

The tenders should be submitted in the printed form which may be had from the office and should be accompanied with a treasury challan for having remitted Rs. 480 (Four hundred and eighty) only towards the Earnest Money deposit under "P. W. Remittances, I—Remittances into Treasury", in favour of the Executive Engineer, Water Supply Division, Bangalore.

Rates for each item of work should be noted both in figures and words.

Sealed cover has to be superscribed "Tender for replacing steel mains in the second mile of Bethamangala Raising Main" and should bear the name and address of the tenderer.

Rates for all non-tendered items will be paid according to the approved schedule of rates of this division which will be in force during the time of execution of the work. For all non-scheduled and non-tendered rates, rates as per approved data will be given.

The final acceptance of the tender rests with the Chief Engineer, who does not bind himself either to accept or reject the lowest tender or any other tender or all tenders or to assign any reason whatsoever for the acceptance or rejection of tenders.

An approximate estimate of quantities is given below. Quantities are not guaranteed.

Rates for lead joints, etc., should include the cost of lead spun yarn, etc. If required these materials will be supplied by the Department at stock rate *plus* centage, etc., as per rules, whenever the materials are available in the stores. But non-supply of materials by the department cannot be a valid plea for not completing the work in time.

Work must be completed in all respects within three months from the date of acceptance of the tender.

G. KRISHNASWAMY,
Executive Engineer.

1. The tenders will be opened in public at 3 P.M. on 10th December 1951. The work should be completed and handed over to the Department in tidy condition within the period noted and the monthly progress should not be less than the amount specified against each work failing which penalty as per agreement or departmental rules in force at the time will be enforced.
2. The plan, detailed estimate and the conditions may be seen at the Offices of the Executive Engineer, Electrical Division, Tumkur, the Assistant Engineer, No. 2, Electrical Sub-Division, Hassan, or the Offices of Power and Lighting of this Department for works in their sections on all working days during the office working hours.
3. Tenders are to be submitted in prescribed forms only which can be had from this office on payment of annas four per set of forms for each work. The forms can also be had through post or direct to intending tenderer provided the cost of forms *plus* postal charges, in case forms to be sent by post, is paid in cash and requisition be given well in advance. This office will not be responsible for delay or non-delivery of tender forms sent by post.
4. Each tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash at this office or any Power and Lighting Office of this Department and receipt enclosed to the tender. In case of tender deposit of over Rs. 500 Government Promissory Notes of the Government of Mysore or of Dominion of India at their face or present value or Savings Bank Deposits in Mysore Government Treasury duly pledged in favour to the Executive Engineer, Electrical Division, Tumkur, may be accepted by the Executive Engineer at his discretion.
5. No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.
6. The final acceptance of any tender will rest with the Executive Engineer, Electrical Division, Tumkur, who does not bind himself to accept the lowest or any tender or to assign any reasons whatever for the rejection of any tender who also reserves the right to accept or reject any portion of the tender.
7. The name of the successful tenderer will be posted on the notice board of the offices referred to in Para 2 above in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.
8. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.
9. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting Office of this Department on the tenderer submitting refund bill surrendering the original receipt granted.
10. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This Department does not undertake to provide lorries or petrol coupons.
11. Specifications for Civil Engineering works are those recognized by the Public Works Department of Mysore, and Marryot's Specifications (P.W.D. Hand Book, Bombay) and B.S.S. or A.I.E.E. Specifications for Electrical works.
12. Only controlled articles like steel and cement, etc., will be supplied by the Department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.
